

PROFILE

**Saaj International
Trading Co.w.l.l.**

We, **SAAJ International Trading Co WLL**, a products and solutions provider, specializes in the provision of construction, maintenance & industrial supplies to some of the most significant names and projects in the Kingdom of Bahrain. Our reputation is built on three essential values-

Reliability: You can rely on us to provide you with what you need, when you need it, where you need it and at the quality and price point you need. As a reliable partner, we will be transparent and open in all our dealings.

Value: We will always provide you value for money, searching for the best brands and negotiating the best deals to provide our clients a competitive edge.
Action: No project goes as planned and we happen to be action-oriented problem solvers. Whether it is identifying new supplies or accommodating for unexpected materials / logistics, we will shoulder the burden so that you can focus on project delivery.

As a Bahraini owned business, we believe in long term strategic partnerships with both our clients and our suppliers. We understand that this is needed to deliver on what matters to you: quality products, at competitive prices, shorter lead times and no logistical headaches. Whether you need Building Materials, Electrical, HVAC, Mechanical, Hardware & Tools – contact a member of our sales team to learn how we can work with you, from tender to delivery, to win more contracts and have happier, more profitable client relationships.
